GENERAL INFORMATION

APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account shows charges for local service for one month beginning with date of bill, and Long Distance and Directory Advertising charges, if any, for one month preceding.

SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customers. We realize that difficulties will occur despite all our efforts to avoid them. If at any time difficulties are not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

IDENTIFICATION OF EMPLOYEES

All employees of the Company whose duties require them to enter the premises of subscribers or others, are required to wear a badge similar to the accompanying illustration or to produce a card of identification from the Manager. Any person claiming to be an employee of the Company who is without this card or badge should be refused admission, and the Manager be notified at once by telephone.

INTERFERENCE WITH APPARATUS

A Subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus leased from this Company, or make attachments thereto.

DIRECTORIES

Please check your listing and if it is incorrect in any way call the Business Office at once. The Telephone Company assumes no liability on account of errors in or omissions from its directories. Telephone directories are and remain the property of the Company. They are printed for the exclusive use of the Company's patrons and are loaned to its subscribers. All persons are cautioned against reproducing their contents.

Subscribers must not use any binder, holder, or other attachments, except as provided by the Company.

MAGNETO RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "r". The first figure following the letter "r" represents the number of long rings, and the second figure, the number of short rings. For example, to call r-24, give two long followed by four short rings. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring-off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Business Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the City of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following are the toll centres for the district covered by this directory—

On calls for which the charge is 20 cents or more, a Dominion Government tax of 6 per cent applies (not exceeding 25 cents on any one call).

"ANYONE" (STATION-TO-STATION) CALLS

When you give "Long Distance" the number you are calling and tell her "Anyone there will do," you are making what is known as an "Anyone" (or Station-to-Station) call.

Low Night rates are in effect from 7 p.m. to 4.30 a.m. weekdays and all day Sunday, except to nearby points.

PERSON-TO-PERSON SERVICE

When you specify an individual to whom you must speak (a Person-to-Person call) the rate is somewhat higher than for an "Anyone" (Station-to-Station) call, because Person-to-Person calls require more operating time. If the particular person is not available when you first place the call, the operator will make subsequent attempts to complete it.

Low Night rates are in effect from 7 p.m. to 4.30 a.m. weekdays and all day Sunday, except to nearby points.

A small report charge is made in connection with certain "Person-to-Person" and collect "Anyone" (Station-to-Station) calls which cannot be completed.

VALUE BEYOND PRICE

Is there anything that offers such unique value as the telephone?

Some people prize telephone service chiefly because it makes the outside world accessible. They may wish to talk only to those within their immediate circle, yet they like to know that they may call anyone, anywhere, if necessary.

Other users value their telephone largely for its emergency worth. Whatever sudden need arises, the telephone is there to meet it, to help—often to save—the situation.

THE COST IS LOW

It is surprising how little it costs to telephone by
 Long Distance. If you give the operator the
 distant number, and call after 7 p.m., you will
 benefit by the reduced rates then in force. Long
 Distance will gladly quote you rates and obtain
 for you the telephone number of any of your
 friends.

Don't keep the news to yourself!

Something of interest, something of importance,
is always happening—interesting and important,
that is, to those who care.

If your children are away from home, they are
always glad to hear from you—to know how you
are keeping, what you are doing. Call them the
personal, inexpensive way—by Long Distance.
